📍 Cordova, Poblacion

## ABOUT

I am levi D. Aranez, a passionate developer. I have experience in full-stack development and agile workflow. I am well-versed in GIT version control and have collaborated with other like-minded developers.

I have worked and contributed to deployed applications at HiveLogix Technologies using modern frameworks and tools. With my solid understanding of software fundamentals and team collaboration, I bring value to every project by delivering reliable, scalable, and maintainable solutions.
